### Investigative Narrative

On Wednesday October 31, 2007 at approximately 1415 hours I was advised to meet with Lt. Shipman-UDPD for a complaint of a threat received at the UD Residence Life building, 5 Courtney St Newark DE.

At 1435 hours I met with the initial RP(Bedgar) at the UD Residence Life building who had received a phone call this date at approximately 1045 hours from a subject who identified himself as Bill White (S1). During the course of the conversation between RP and S1 he identified himself as the "Commander of the American White Socialist Party". RP advised S1 that V1(Kerr) was not available to speak with him. S1 was calling in reference to recent articles and information being posted by "F.I.R.E - Foundation for Individual Rights in Education."

"FIRE" faxed a letter to the University of Delaware dated 10/29/07 at 1710 hrs. UD Res Life staff received a copy on 10/30/07 at 0849 hours. The letter expressed concern for what it viewed as civil rights violations by requiring on campus UD students to attend and participate in diversity training programs. "FIRE" views it as a violation by compelling individuals to attend these meetings and believes that there is an institutional pattern to systematically change the perceptions of UD students. "FIRE" is also concerned with the application of the training programs and defines it as "treatment." "FIRE" objects to the language and term definitions contained within the training materials. Apparently there are terms and projects in the training packets which define racism and reverse racism. In "FIRE"'s opinion, to successfully complete the program students have to adopt the University's ideology on acceptance of other groups (gender identification, race identification, sexual orientation identification) and indicate their agreement with the University's ideology. "FIRE" is calling for the total dismantling of the program. "Which is a flagrant violation of students' rights to freedom of conscience and freedom from compelled speech." - Case Note- the original letter is five pages long, and not all ideals and quotes are contained, this is just an overview to put in context the reason for S1's call to the University 10/31/07 and why it was alarming.

When S1 was advised that V1 was not available, he became insistent on talking with her.

Investigative Narrative - Continued

During the course of the conversation, according to the RP, S1 stated that he would hunt V1 down and "anyone who views racism the way she does should be shot." V1 is the Director for Housing and Residence Life and has the responsibility for coordinating, planning, and approving training for RAs (UD Residence Life Staff),

RP(Bedgar) notified PC1(Tweedy) about the phone conversation. PC1(Tweedy) notified V1 via e-mail and copied Michael Gilbert (UD VP for Student Life) advising of the conversation between RP and S1.

Through the course of the afternoon of 10/31/07, it was discovered that on <http://www.overthrow.com> the personal identifying information of V1(Kerr) and V2(Harker) was posted online. The information contained work/employer contact phone numbers and e-mail address for each person. The website also contained the home address, home phone number, spouse name, and dates of birth for V1 and V2 and their spouses. V1 also had her father's home address and phone number posted. RP(Bedgar) advised that V1's father had received a phone call earlier this date asking if V1 was there. The website states, for V2's information, "Currently at their vacation home" and lists the address and phone number. At the bottom of the information is a statement "We shot Marxists sixty years ago, we can shoot them again!"

RP advised that she did not have the phone number that S1 called from. She believed that the caller ID unit showed a blocked number, however, she was not sure. RP checked her notes and found a number: REDACTED however, she was not sure if the number was from S1 or from another person who called and expressed concern about the UD Residence Life diversity training program. RP stated that her sister had contacted her earlier this date and told her that she heard about UD on a radio program. The radio program was discussing the UD Diversity training and a caller who identified himself from Annapolis had voiced several concerns and stated that his son attends the University of Delaware.

At 1450 hours I met with PC1(Tweedy). PC1 advised that there had been several parents of students that had contacted his office with concern about the training program during the semester. PC1 stated that the training program title was "Whole New World" that they were using. PC1(Tweedy) advised that there was some confusion about the training and stated that some of the information and concern from parents was also about an instructor that was used for UD Residence Life Resident Assistant training conducted over the summer time. This year's "Whole New World" training was conducted by Shakti Butler who is the executive director of World Trust Educational Services, a non profit organization that assists in community building training and lectures. The letter that "FIRE" sent to the University of Delaware makes a reference to the summer training that contains definitions about racists and reverse racism that "FIRE" disagrees with. Quoted from "FIRE" 's letter : "Racist was defined as one who is both privileged and socialized on the basis of race by a white supremacist system. The term applies to all white people (i.e., people of European descent) living in the United States, regardless of class, gender, religion, culture, or sexuality. Reverse racism -a term created by white people to deny their white privilege. Non Racist : a non term. The term was created by whites to deny responsibility for systemic racism...."

I asked PC1 if he was aware of any upset parents from the Annapolis area that had contacted his office. PC1 advised that Michelle Kane (UD Asst Director, Residence Life) had been contacted earlier this month and PC1 had received an e-mail from Peter Johnson REDACTED who resides in Glen Burnie MD. The e-mail was stating a concern about his freshman son who was required to attend training. Mr. Johnson expressed concern that written materials were collected from his son and his son was not allowed to keep copies. Mr. Johnson had contacted Mrs. Kane in order to obtain copies of the questions and some of the materials. His request was denied based on her reasoning that " sending the materials without context would not be of any benefit." PC1 stated that this was the only person that came to mind who

lived in that area that PC1 had a recent exchange with. PC1 forwarded the e-mail from Mr. Johnson with an attachment of the scanned letter from Mrs. Kane to my work e-mail account. Printout hardcopy was placed into evidence. This information was obtained in case it is discovered at a later date that S1- "Bill White" does not exist and could actually be Mr. Johnson to demonstrate mens rea.

Evidence- copies of www.overthrow.com showing V1 and V2 personal information, PC1's e-mail, the letter from "FIRE" and the e-mail with attachment from Mr. Johnson were placed into evidence holding. S1's address information obtained www.overthrow.com website footer information.

(Case note- Yahoo.com is located in PST and time stamps could be affected by three hours. Depends if Yahoo.com compensates for differences based on readers locations)

On the Yahoo website page was a link to [www.overthrow.com](http://www.overthrow.com). At the bottom of [www.overthrow.com](http://www.overthrow.com) website is postal contact information for Bill White, Commander American National Socialist Workers Party. It also has two e-mail address ([nationalsocialistworkers@yahoo.com](mailto:nationalsocialistworkers@yahoo.com)) and ([answp@nazi.org](mailto:answp@nazi.org)). There where links for "blogs", however, [www.blogger.com](http://www.blogger.com) had shut them down due to violating the terms of service agreement. (<http://overthrow88.blogspot.com>)

Using [www.google.com](http://www.google.com) I queried the name Bill White. The most concise definition and biography was located actually on [www.wikipedia.com](http://www.wikipedia.com) at 1422 hours- [http://en.wikipedia.org/wiki/Bill White](http://en.wikipedia.org/wiki/Bill_White) (neo-Nazi).

The following is from the Wikipedia article :

" known as Bill White, is the leader of the American National Socialist Workers' Party and the administrator of the antisemitic website Overthrow.com. The Southern Poverty Law Center, which monitors extremist groups, described the website in 2003 as the "second most popular racist site on the Internet."

" On September 22, 2007, the FBI opened an investigation of Overthrow.com because it listed the addresses of five of the Jena Six and the telephone numbers of some of their families "in case anyone wants to deliver justice." The Jena 6 were charged with a racially motivated attack on a 17-year old white student. According to an FBI spokeswoman, the website "essentially called for their lynching. The site is registered to William A. "Bill" White of Roanoke, Virginia, who claims to be the commander of the American National Socialist Workers Party."

After reading the article I met with Chief Flatley and advised him of the information and articles listed above. I also provided him with a copy of a letter "F.I.R.E" had posted online to the response filed by Michael Gilbert (UD VP Student Life) about the initial letter from "F.I.R.E" dated 10/29/07. Chief Flatley advised that the FBI had been notified about this incident and that he would advise me at a later date if any other investigation was necessary.

A copy of the online sites visited as part of case record was printed out and will be

On November 01, 2007 at approximately 1320 hours I started to investigate online who S1 was and research "F.I.R.E". The computer that was used was located in the shift commanders office and has an IP of 128.175.95.64. The first link followed was from an e-mail Lt. Shipman provided to me - <http://worldnetdaily.com/news/article.asp?ARTICLE ID=58426>, this is part of Worldnetdaily. com which is a website that is a "Free Press website that exposes truth amongst government fraud and abuse." At 1342 hrs I located on <http://globalpolitician.com/articleshow.asp?ID=3582&cid=1> an article written by David Storobin, Esq who provides V1(Kerr) and V2(Harker) office contact information. There where several websites with "blogs" attached making reference to "F.I.R.E"'s website.

At 1401 hrs I went to <http://groups.yahoo.com/group/nsmamerica>. The websites front page contains the following information. " We are National Socialists. We fight for white working people, and do so without shame. We oppose the Jew and we wear the swastika. We oppose globalization. We are concerned about how the Jew financial system has de-industrialized and de-agriculturalized America. We oppose Jewish "civil rights" and believe Jews are responsible for the race problem. We oppose Jewish power everywhere it is manifest, from the war in Iraq to the efforts against Iran, Venezuela, Belarus and other independent nations. We oppose philo-Semitic "racial conservatism", "populism", "Constitutionalism", "libertarianism" and other frauds." The site has a message board where three postings where located with information about V1 and V2. All three postings where by nationalsocialistworkers@yahoo.com.
